

Dear Tom,

The SBA has just announced that the Paycheck Protection Program (PPP) will fully reopen to all eligible small businesses tomorrow, January 19, 2021.

As promised in our communication last week, we want to share a [one-page guide that explains the loan relief available under new federal law](#). It is our hope that this will simplify some very complex information and be an easy-to-use resource for you and your policyholders. Please share with anyone who may be helped by this information. This document is also available for customization on our [Customer Toolkit](#) should you want to add your office's logo and contact information.

Additionally, USLI continues to update our [COVID-19 webpage](#) and [Business Resource Center](#) with COVID-related resources to keep you and your policyholders well-informed and prepared.

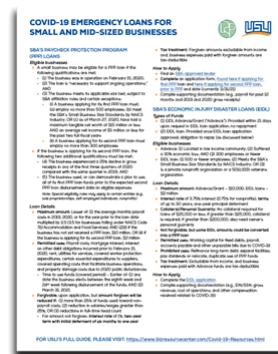

Should you have any questions about the programs or COVID-19 financial relief, please do not hesitate to contact me at [robert.taylor@usli.com](mailto:robert.taylor@usli.com).

As always, we hope you are staying safe and healthy at this time.

Sincerely,

[Robert Taylor](#)
